

Updates on the Maine Credentials

MRTQ PDN currently administers four Maine Credentials: Infant Toddler, Youth Development, Director, and Inclusion. (You can read all about the Maine Credentials – **including important updates on requirements** – on our website: <http://muskie.usm.maine.edu/maineroads>.) With the growing popularity of the Maine Credentials, staff at MRTQ PDN have been working to streamline the application process and increase consistency among the different Credentials.

What you need to know...

- **Beginning on April 1st, 2018, MRTQ PDN is implementing a quarterly review schedule for Credential applications.** This means that while you can still submit your application and portfolio any time, the Review Committees will be reviewing materials in **January, April, July, and October**. Applications must be received by the 1st of the month of review (e.g. April 1st for April review); materials received after the deadline will be reviewed during the next review period.
- **All applicants will be contacted by the final day of the review month (e.g. by April 30th) to inform them of their next steps.** Applicants with completed materials will be contacted regarding an on-site visit (and family surveys, if applicable). Applicants with incomplete materials will be notified of missing items **and will have 60 days to submit completed materials.**
- **MRTQ PDN is now encouraging all applicants to submit a digital portfolio.** While this is not a requirement at this time, digital portfolios are preferred. If you have questions about creating a digital portfolio, we recommend that you consider taking the "Your Professional Development Portfolio" training, listed on page 3 of this newsletter!

If you have additional questions about the Maine Credentials, please contact Alli Penan at 207-780-5864 or allison.penan@maine.edu.

Maine's Early Learning and Development Standards Trainings

This training gives an overview of Maine's Early Learning and Development Standards (MELDS), including each Domain and ideas for integrating the content into a variety of settings. Each module introduces content and also highlights specific practices and skills designed to foster participants' abilities to utilize the MELDS independently once the training is complete. The training also has an intentional focus on principles for working with diverse populations and creating inclusive, developmentally appropriate learning environments.

MELDS (30 hours) – Online

Modules begin on Wednesday mornings and end on Tuesday evenings. Participants who successfully complete all of the activities in the training will receive a certificate for 30 hours of training.

Dates: April 25th – June 20th

Bridge to MELDS (15 hours) – Online

This is the 15-hour training that is meant for those practitioners who have successfully completed the 30-hour training "Maine's Early Learning Guidelines." Modules begin on Wednesday mornings and end on Tuesday evenings. Participants who successfully complete all of the activities in the training will receive a certificate for 15 hours of training.

Dates: April 25th – May 30th

Training Reminders

- Pre-registration is required for all MRTQ PDN trainings; walk-in registrations are NOT accepted. Many trainings fill quickly, so we advise that you register early!
- MRTQ PDN is sometimes able to schedule additional training based on demand; if you try to register for a training that is full, we highly recommend that you place your name on the waiting list. If a second session is added, those on the waiting list receive priority registration!

Caring for Infants, Toddlers, and Their Families (30 hours) – Online

This training covers a wide range of topics with the objective of helping practitioners working with infants and toddlers develop a deeper understanding of high-quality environments for children. Through this training participants will have opportunities to explore resources, share strategies and ideas, and consider ways to enhance the environments in which they work and play with children.

Dates: April 11th – June 20th

Supporting Maine's Infants and Toddlers: Guidelines for Learning and Development (30 hours) – Online

This training is designed to guide providers through the history, creation, and use of this publication, which outlines learning and development from birth to age three. The modules focus on the document and on developing understanding relationships.

Dates: April 25th – June 20th

Your Professional Development Portfolio (9 hours) – Online

This training is designed to provide resources and detailed information on how to create a professional portfolio that illustrates an early childhood or out-of-school time professional's knowledge, experience, and skills.

This training will be required for those submitting Maine Credential applications beginning on October 1, 2018.

Dates: April 25th – May 16th

Partners in Caring: Families and Caregivers (12 hours) – Online

Children experience the best quality of care when parent(s), families, and caregivers are partners with the same goals for the child.

This training covers information about families today, roles and boundary-setting, and verbal/written communication to reduce potential areas of conflict between families and caregivers.

Dates: April 25th – May 23rd

Positive Supports and Challenging Behavior (15 hours) – Online

This training provides a brief introduction to preventing and responding to situations of challenging behavior in early childhood programs. The goal of this training is to help you feel more confident when faced with challenging behaviors in your program.

Dates: May 2nd – June 6th

Foundations of Inclusion: Relevant Laws, Featuring the Americans with Disabilities Act (ADA) (6 hours) – Online

This training will give an introduction to the history of disabilities and inclusion in the United States as well as relevant laws governing the way inclusive services and supports are delivered.

Dates: June 13th – 27th
