

Onward with Training!

Maine Roads to Quality Professional Development Network (MRTQ PDN) is hearing from you that the need for training is continuing during this time. Our staff have compiled the following list of potential options for you and your program.

Communities of Practice (CoPs)

We know this is a challenging and confusing time for all of us. In response to provider requests, MRTQ PDN has added new CoPs and increased the frequency of others. You can find the updated list of these FREE offerings here: <https://bit.ly/2JOJws2>.

Free On-Demand Training

Through the MRTQ Registry, individuals can complete FREE on-demand training – any time, in any place. Start by visiting the MRTQ Registry here: <https://mrtq-registry.org/> and log in. You'll see "Online Training" at the bottom of the screen – click on "Access" to view the list of on-demand trainings:

- Health and Safety Orientation (6 hours)
- Annual Renewal for CCDF Health and Safety (2 hours)
- Substance Use Disorders: Informed Practice for Early Childhood Educators (2 hours)
- Caring for Children and Families Experiencing Homelessness (1 hour)

These will be added to your MRTQ Registry Professional Development Profile once they are complete.

Maine Roads to Quality Core Knowledge Training

Learn more about the MRTQ Core Knowledge Training Program on our website: <https://mrtq.org/coreknowledge/>.

To view currently offered training, visit the Statewide Training Calendar here: <https://ececaldarmaine.org>.

Unlike on-demand training, MRTQ Core Knowledge online trainings are facilitated by a trainer and have modules that need to be completed in a required time frame. Please review the Participant Expectations before enrolling: <https://mrtq.org/wp-content/uploads/2019/11/Participant-Expectations.pdf>.

You are encouraged to add your name to the waiting list, as we actively communicate to individuals on the waiting lists with new training opportunities for enrollment. You can view our policy for the waiting lists here: <https://mrtq.org/wp-content/uploads/2019/11/Training-Wait-List-Policy.pdf>.

Click this link for our Training Registration Policy: <https://mrtq.org/wp-content/uploads/2019/11/Training-Registration-Policy.pdf>.

Please review the Technology Needs Policy before enrolling in any online MRTQ Core Knowledge Training: <https://mrtq.org/wp-content/uploads/2018/11/MRTQTrainingTechnologyAccessibility.pdf>.

Stay tuned to the MRTQ PDN Facebook page and our weekly e-newsletter, *SHORTcuts*, for new training opportunities.

Additional training opportunities:

- Family Child Care Association of Maine (FCCAM): <https://fccamaine.com> (click on Training Resources).
